Introduction

The purpose of registration is to ensure the professional competence and good conduct of physiotherapists. The statutory basis for registration is contained in the Allied Health Professions Ordinance (Cap 359) (henceforth called the Ordinance) and the Physiotherapists (Registration and Disciplinary Procedure) Regulation (henceforth called the Regulation). Registration of physiotherapists commenced on 1 April 1997 and the relevant provisions in the Ordinance which prohibit the practice of physiotherapy by unregistered persons came into effect on 1 July 1999. Certain categories of person are, however, exempt from registration. For details, please refer to Appendix I.

How to obtain application forms

2. An application for registration should be made on the prescribed application form obtainable in person or in writing from the Central Registration Office at 17/F, Wu Chung House, 213 Queen's Road East, Wan Chai, Hong Kong. The form can also be downloaded at www.smp-council.org.hk/pt/en/content.php?page=form.

Statement of purposes

3. A statement of purposes in relation to the personal data provided in the application form is shown at Appendix II.

Qualifications required for registration

4. The register of physiotherapists is divided into two parts, Part I and Part II¹. Part I is further divided into Part Ia and Part Ib. Before completing the application form, applicants should study carefully the registrable qualifications specified in Appendix III for registration in different parts of the register.

Registration in other parts of the register

5. Registered physiotherapists may, after they have attained further qualifications and work experience that qualify them for registration in other parts of the register, submit a fresh application for this purpose.

¹ The provisional registration in the Part II Register under section 15 of the Ordinance, being a one-off exercise, had concluded on 30 September 1997. Applications for registration under this category are no longer entertained. For details, please refer to paragraph 13.

How to complete the application form

6. The completed application form should be witnessed and signed by a person belonging to one of the following categories:

- (a) Part Ia physiotherapist
- (b) Barrister
- (c) Solicitor

7. The place where the witnessing has been done should be entered after 'Signed at' on page 2 of the application form.

11. Applicants applying for registration in Part Ia of the register should also ask their former and present employers to each complete the reply slip at Appendix V and submit it together with their other application documents.

Deadlines for submitting applications for registration

12. Section 21(1) of the Ordinance stipulates that ‘.... a person who practises a profession without being registered in respect of that profession commits an offence’. This section came into effect on 1 July 1999 in relation to the physiotherapy profession. Registration under section 12(1) of the Ordinance is an ongoing exercise without any deadline.

13. The deadline for applications for provisional registration (Part II of the register) under section 15 of the Ordinance was 30 September 97. Provisional registration being a one-off exercise, applications for registration under this category are no longer entertained.

Practising certificates

14. Under section 16(1) of the Ordinance, ‘a person registered shall not practise a profession in Hong Kong unless he is the holder of a practising certificate which is then in force’. The need for a person practising physiotherapy in Hong Kong to hold a valid practising certificate became a mandatory requirement on 1 July 1999. Applicants who wish to apply for a practising certificate should complete the letter at Appendix VI.

Self-addressed mailing labels

15. Applicants are requested to fill in their correspondence address in the label sheet at Appendix VII. The completed label sheet should also be submitted with the application form.

How to return the completed application form

Warning against false declaration

17. Under section 12(2) of the Ordinance, ‘a person who wilfully procures himself or any other person to be registered by making or producing or causing to be made or produced, any false or fraudulent representation or declaration, whether in writing or otherwise, commits an offence’. Please note that the Board may verify information and documents submitted by applicants with the appropriate organisations.
